BECOME A STEWARD OF THE LAKE

Membership in the LWPA will help keep our organization alive to ensure the safe keeping and health of the lake for years to come. Keep our lake, "The Jewel of the City", free from Milfoil, and other toxic weeds so that it is safe for recreational use for a long time. The money collected will be used for monitoring the lake water health, our annual "Get to Know Your Neighbor Barbeque", as well as other housekeeping items such as website hosting, fishing derby participation, information resource, road and lake cleanup, dogi-pot bags, and mailings.

Become A Member for only:

\$25.00 For Lakefront or \$15.00 For Other Families.
